

IDAHO SOIL & WATER
CONSERVATION COMMISSION

Engineering Landowner Inspection/Final Certification (Franklin CD)

Program	District Technical Assistance (ISWCC)
Lead Implementer	Idaho Soil and Water Conservation Commission
Other Organizations	Franklin Conservation District
Project Primary Contact	Allan Johnson (Allan.Johnson@swc.idaho.gov)
Project Stage	Implementation
Duration	2019 - 2020

Conservation Support > District Technical Assistance (ISWCC)

This project is for a landowner on the bank of the Bear River near Thatcher. A stream bank stabilization design was done in FY2015 and a livestock water system design was done in 2017. The FY 2020 Technical Assistance request is to perform construction inspection and final certification.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
